Jan. 14, 1952.

Librarian
Dept. of Agriculture

Dear Sir: —

Your letter of Jan. 7th received and inclosed here you will find our 1951-1952 Wholesale and Retail Price Lists. I have also put you on our permanent mailing list.

If we can be of help to you at any time in the future, please just let us know. We, like you, are interested in the educational and the scientific phase of Camellia culture.

Sincerely

Elizabeth P. Councilman
